

Who should attend?

Scientists and researchers in field of:

- Battery- and fuel cell-testing, super-capacitors
- Photo-electrochemical applications
- Semiconductors, photovoltaic, semiconducting films
- LEDs, OLEDs
- Electronic display, newspapers, inks
- DSSC, Organic Solar Cells, Hybrid Solar Cells, Monolithic solar Cells
- Electro-chromic glass, smart windows, suspended particles devices, polymer dispersed, LCD
- Waste contamination, fuel productions
- Bio-electrochemical systems
- Membranes, sensors, coatings, laminates
- Corrosion

About Zahner

Zahner is a leading manufacturer of high-end electrochemical workstations. With an experience of more than 35 years we have the aim to provide the best solutions for a great variety of electrochemical applications.

About Genport

Genport is a developer of resilient power technologies based on fuel cell, ion lithium batteries and provider of electrochemistry laboratory testing equipment for research institutes and industries.

Seminar Program Topics

Seminar Date

Monday, 24 November 2014

Seminar Location

**Genport, srl - Spinoff Politecnico di Milano
Viale Kennedy, 61
20871 Vimercate (MB), Italy**

The seminar will be in English language.

The participation is free.

Photo-electrochemistry and Electrochemistry Seminar

Monday 24 November, 2014

Via Lecco, 61 Vimercate (MB)

Seminar Agenda

09:30 – 10:00	Registration
10:00 – 10:30	Overview Zahner-Elektrik GmbH & Co KG
10:30 – 11:30	Impedance Spectroscopy- Theory and Interpretation of Testing Data
11:30 – 12:00	Electrochemical workstation: ZENNIUM / IMS
12:00 – 13:00	Lunch Break
13:00 – 14:00	Application for Battery and fuel Cell tests and characterization with THALES Z SW
14:00 – 14:45	Photo-electrochemical workstation: CIMPS
14:45 – 15:00	Coffee Break
15:00 – 15:30	CIMPS - Applications
15:30 - 17:00	Conclusion and discussion

Seminar Pre-Registration Form

(We will send to you the final confirmation by Monday 17 November 2014)

Organization:	
Title:	
First Name:	
Last Name:	
Street:	
City:	
State:	
Country:	
Zip:	
Phone:	
Fax:	
E-mail:	

Please send the completed pre-registration form to Genport srl by email:
